

IRENE RUBIO

Frontend Developer | Fullstack | UX & Digital Product Experience

Stockholm | +46 739 904 809 | rubio.hernandez.irene@gmail.com | LinkedIn | www.irene-rubio.com | GitHub

PROFILE

Creative frontend developer with hands-on experience in agile software development within the public sector. Proficient in Angular-based solutions with high demands on quality, security, and accessibility. Experience across the full development lifecycle — from design and implementation to testing, QA, and release. Combines technical expertise with UX understanding, fullstack experience, and a strong focus on reliable and user-friendly systems.

TECH STACK

Frontend:	Angular, TypeScript, React, React Native, JavaScript, Next.js, HTML5, CSS3, Tailwind
Backend / DB:	Node.js, Express, REST API, MySQL, SQL, Strapi, Drizzle ORM, Swagger/OpenAPI
Test & QA:	Playwright, E2E Testing, Black Box Testing, Jest, Automated Testing, QA
DevOps & Infra:	CI/CD, Docker, AWS, Kubernetes, OpenShift, Argo CD, Git, GitHub, Bitbucket
UI & Accessibility:	Figma, WCAG, UX Principles, Accessibility Adaptation, Adobe Creative Suite
Tools:	Jira, Agile/Scrum, Turborepo

WORK EXPERIENCE

Frontend Developer

Arbetsförmedlingen (Swedish Public Employment Service) | Stockholm | 2025 – present

- Software development in Angular and TypeScript within agile, cross-functional teams in the public sector
- QA testing and UX analysis of the 'Min kompetensprofil' feature — identifying bugs, UX inconsistencies, and state synchronisation issues
- Automated E2E testing with Playwright to validate user flows and prevent regressions
- Bug fixes in Angular components using AF's internal design system, with focus on accessibility and WCAG compliance
- Hands-on experience with CI/CD pipelines and deployment in OpenShift environments
- Close collaboration with UX, backend, and QA teams to deliver user-centred and maintainable systems

Archive & Web Work

SFI / Ingmar Bergman Foundation | Stockholm | 2005

- Contributed to the development of the foundation's first website, focusing on structure and content
- Digitisation and organisation of cultural-historical archive material for online publication
- Participated in a project awarded the national prize for Best Website of the Year 2005

Content Creator & Writer

HAZ Project (RTVE) | Remote | 2023

- Developed educational digital content for an online course in film production
- Collaboration with an editorial team in an international environment

Casting Director & Production Assistant

Kidscasting | Smitz & Pixel | Madrid | 2018–2022

- Managed talent databases and coordinated large-scale casting processes

CEO & Creative Director

Cordelia Vintage | Madrid | 2010–2020

- Founded and ran a creative business in vintage fashion and costume design
- Responsible for business development, digital marketing, and client relations
- Led styling and costume design for audiovisual productions
